NEWSLETTER

April 2025

Dear beloved community,

Celebrating Children's Achievements

We trust this newsletter finds you in good health and high spirits. As we reflect on the wonderful month of April, we are filled with joy over the remarkable achievements of our children, who have worked diligently and proudly passed their final exams with commendable marks.

Celebration Activities and Outings

To celebrate this significant milestone and to help them relieve stress, we organized an exciting day of futsal and basketball on April 16th, in collaboration with The Nepal Initiative. It was a day of joy, teamwork and friendships, bringing smiles and laughter to all. Additionally, all our girl children were treated to a delightful outing to Wow Game Zone in Mulpani, where they enjoyed some well-deserved refreshment and joy.

Transition to Higher Education

With these achievements behind them, our children are now eagerly looking forward to embarking on new educational journeys as they transition into higher classes. Each child was warmly welcomed into their new grades with fresh books and notebooks, tools that will fill them with knowledge, wisdom, and experiences shaping their bright futures.

Education Beyond Knowledge: Building Character

We believe education is much more than just acquiring knowledge; it is the cornerstone of personal growth and character development. It empowers our children to become compassionate, empathetic individuals who will contribute positively to society. As they learn and grow, they carry forward values of kindness, empathy, and respect, becoming beacons of hope and humanity in our world.

High Performance Award
Presented to
Gita Khatri
for High Performance in English for Speakers of Other Languages
during the 2024-2025 School Year
at
CALVARY CHRISTIAN ACADEMY
and is Duly Awarded this
Thirtieth day of April Two Thousand and Twenty-Five

*"Work diligently as whether you are working for the Lord rather than for people."
Colossians 3:23*

**The Power of Support and Perseverance:
Celebrating the Journey of Growth and Achievement**

Our child, Geeta Khatri, has demonstrated that when children receive the support they deserve at the right time, watering that support with their hard work and dedication, they are truly capable of flourishing and blossoming. Geeta has filled our hearts with immense pride by earning the prestigious High Performance Award for Excellence in English for Speakers of Other Languages during the 2024-2025 school year at Calvary Christian Community.

Community Outreach and Family Visits

Understanding the Hardships Faced by these Families

On April 17th, our Executive Director, in collaboration with The Nepal Initiative team - Founder James Dauman and Co-Founder Suman Khadka, embarked on a journey from Kathmandu with a mission to visit the families of our children and gain a deeper understanding of their current circumstances. They traveled to places like Balchaur, Tikapur, Rajapur, Satighat, Muda in Bardiya, Kailali, and Nepalgunj. During these visits, they met with our children's families and siblings, observed their living conditions, and listened to their stories of hardship. Most families are engaged in daily wage labor, with no government employment. We witnessed firsthand the financial struggles they face, living without secure shelter. Some homes open without barriers, increasing the risk of wild animal attacks. Despite these hardships, the families expressed heartfelt gratitude for our support in providing their children with education, a gift that offers hope and a brighter future. Their gratitude touches our hearts

deeply, reminding us of the importance of our collective efforts. We are committed to seeking sustainable solutions to uplift these families and improve their living conditions.

Spiritual and Musical Engagements

We also rejoice in the active involvement of our children in spiritual and musical pursuits, including their participation in the choir team, guided by divine inspiration and community support.

Sports Achievements and Activities

In the realm of sports, we are proud to share some exciting updates: Kapil Mahat, Jhalak Hamal, and Bimal Badi have been admitted to the Football Academy in Bouddha, where they are honing their skills and learning the beautiful game.

Sangita Badi and Kalpana Badi are exploring the joys of cycling, gaining confidence and strength. Meanwhile, Alex Pun has joined the Cricket Academy in Mulpani, embracing new challenges and nurturing his talent. Our hope is that each of these young athletes will grow into their best selves, achieving milestones through dedication and perseverance.

Moving Forward Together with Gratitude

Thank you, from the bottom of our hearts, for your unwavering support and encouragement. Your contributions create a nurturing environment where our children can thrive, dreaming big and evolving into responsible, caring individuals who aspire to make a positive difference in the world. Together, we are building a future filled with hope, love, and limitless possibilities.

With heartfelt gratitude,
Light House Foundation Nepal Team
